Transfer Patterns

The School of Allied Health Professions maintains institution-specific transfer patterns (i.e. college course requirements, articulations or prerequisites), along with institution-specific course numbers that are required/accepted for our allied health programs. You may apply online to LLU with courses in progress at the discretion of the program/department. See our online admissions info for further details on applying to LLU.

Our posted school listings do not reflect a complete list of higher educational institutions from which we accept credits. It is only a partial list of common local and Seventh-day Adventist college and universities from which students commonly transfer.

If your college or program choice is not listed, you may view general program requirements on our website within the program information or contact us. Please note: we accept credit transfers from regionally accredited colleges and universities only. Refer to our online admissions webpage for further details regarding applying and for specific program open enrollment periods.

MAJOR: Cardiac Electrophysiology Technology – AS

Electrophysiology is a subspecialty of cardiology that focuses on treating heart rhythm abnormalities. The Cardiac Electrophysiology Technologist will assist the Cardiologist during invasive procedures, including implantable cardioverter defibrillator (ICD) and cardiac resynchronization therapy device implantations.

We offer an Associate Track and Certificate Track for this program, which are 12 months in length. The AS degree is face to face with some online coursework, while the Certificate program is primarily online with a few face to face visits to the LLU campus. The Certificate Track is only available to applicants with a prior healthcare background.

ELECTIVES: To meet minimum total requirements of 26 semester units (with a GPA of 2.4 or higher)

WORK EXPERIENCE: Observation hours in a CEP department (minimum of 2 exams observed).

PLEASE NOTE THAT C MINUS (C-) GRADES ARE NOT TRANSFERABLE FOR CREDIT

Any student who has attended a Seventh-day Adventist college/university, will be required to have religion course(s).

To apply online log onto: http://www.llu.edu/apply/

*CARDIAC ELECTROPHYSIOLOGY TECHNOLOGY – CERTIFICATE: The Certificate Track is only available to applicants with a prior healthcare background.
MAJOR: BS Degree - CLINICAL LABORATORY SCIENCE (MEDICAL TECHNOLOGY)
The clinical laboratory scientist supervises, evaluates, or performs laboratory tests that aid the physician in the diagnosis, monitoring, and
treatment of disease. Upon successful completion of the program, the gradate is eligible for certification by the American Society for Clinical
Pathology and for licensure by the state of California.

LOMA LINDA UNIVERSITY REQUIREMENTS:

HUMANITIES: (14 semester units min.)
Select from at least 3 subject areas:
Art/Music; Performing Arts (limited to 3 sem units)
Literature, Philosophy
History; Foreign Language/Amer Sign Lang

NATURAL SCIENCES:
College Algebra (or higher level)
General Chemistry with lab, complete sequence
Organic Chemistry with lab, complete sequence
Intro Physics/lab (to include light & electricity)
General Biology with lab (one course)
Pre-medical and pre-dental students should verify current admission requirements

SOCIAL SCIENCES: (2 areas, 8 sem units min)
Cultural Diversity (required)
Select remainder from:
Anthropology; Sociology
Psychology; Political Science
Economics; Geography

COMMUNICATION: (min 6 sem units)
Freshman English, compl seq (req) (CLEP Not Accepted)
If needed, select remainder from:
Computers
Speech

HEALTH AND WELLNESS: (min 2 sem units)
Health Education (personal health or nutrition)
2 PE Activity Courses

ELECTIVES: To meet minimum total requirements of 64 semester units

RECOMMENDED: Anatomy & Physiology, Biochemistry, Cellular or Molecular Biology, Genetics, Speech, Computer Applications, Critical
Thinking

PLEASE NOTE THAT C MINUS (C-) GRADES ARE NOT TRANSFERABLE FOR CREDIT
To apply online log onto: http://www.llu.edu/apply
Any student who has attended a Seventh-day Adventist college/university, will be required to have religion course(s).
Transfer Patterns for Orange Coast College Students

MAJOR: B.S. Degree – COMMUNICATION SCIENCES & DISORDERS

Speech-language pathologists are concerned with evaluating and treating children and adults with communication disorders. Difficulties in the areas of speech, language, fluency, and voice are associated with a variety of disorders, including developmental delay, hearing impairment, cleft palate, cerebral palsy, stroke, and head injury. Audiologists are concerned with prevention, identification, assessment, and rehabilitation of hearing disorders. For both professions, it is important that the student have an interest in working with people.

Employment opportunities for speech-language pathologists and audiologists exist within speech and hearing clinics, public schools, hospitals, universities, health departments, skilled nursing facilities, home health agencies, rehabilitation centers, industry and private practice. These fields allow for considerable flexibility and there is ample opportunity for employment.

LOMA LINDA UNIVERSITY REQUIREMENTS:

HUMANITIES: (14 sem. units min.)
Select from at least 3 subject areas:
Art/Music; Performing Arts (limited to 3 sem units)
Literature, Philosophy
History; Foreign Language

NATURAL SCIENCES: (2 areas, 8 sem. units min)
One biological science course required:
Physics or Chemistry, one course
2 yrs HS Algebra/C grade or better or Inter Algebra
Intro to Statistics
Select additional from:
Biology, Physics, Math, Chemistry

SOCIAL SCIENCES: (2 areas, 8 sem units min)
General Psychology
Human Development
Select additional from:
Psychology, Sociology, Anthropology, Political Science

COMMUNICATION:
Freshman English, complete seq (CLEP Not Accepted)
Speech

HEALTH AND WELLNESS: (min 2 sem units)
Health Education (personal health or nutrition)
2 PE Activity Courses

ELECTIVES: To meet minimum total requirements of 64 semester units

Any student who has attended a Seventh-day Adventist college/university, will be required to have religion course(s).

TRANSITIONAL MS - Admission to the program requires a bachelor’s degree from an accredited college/university. Additional prerequisite coursework, beyond the bachelor’s degree, is not required prior to entering this program. Students admitted to the Transitional Masters program must show evidence of having completed a minimum of one undergraduate course in each of the following areas prior to fall quarter of their second year in the program: biological sciences (such as biology, human anatomy, etc.), physical sciences (physics or chemistry preferred), statistics, and the social/behavioral sciences (such as psychology, sociology, educational psychology, etc.).

COMMUNICATION SCIENCES & DISORDERS MS - Admission to the program requires a bachelor’s degree in Communication Disorders (also called Speech-Language Pathology). **Note: students admitted to the graduate program must show evidence of having completed a minimum of one undergraduate course in each of the following areas: biological sciences (such as biology, human anatomy, etc.), physical sciences (physics or chemistry preferred), statistics, and the social/behavioral sciences (such as psychology, sociology, educational psychology, etc.).

To apply online log onto: http://www.llu.edu/apply/

03/04/15
MAJOR: Certificate and BS Degree - CYTOTECHNOLOGY

Cytotechnology is a specialty within the broad field of clinical laboratory science. Cytotechnologists aid in the early detection of disease by differentiating normal, atypical, and malignant cells. In recognizing microscopic abnormalities of cells and cellular patterns from the various body sites, the cytotechnologist assists the pathologist in detecting cancer at its earliest and potentially most curable stage. Medical applications of cytologic techniques are constantly expanding, particularly in the diagnosis and management of the cancer patient. Cytotechnologists work in hospitals, clinics, or in independent pathology laboratories. They can advance to supervisory positions, participate in research activities, or become teachers in the field.

To be eligible for admission to the certificate program only, the applicant must have a baccalaureate degree and complete the English, science and mathematics requirements given below. To continue into the B.S. program, all other general education requirements as outlined below must be fulfilled.

LOMA LINDA UNIVERSITY REQUIREMENTS:

HUMANITIES: (14 semester units min.)
Select from at least 3 subject areas:
Art/Music; Performing Arts (limited to 3 sem units)
Literature; Philosophy
History; Foreign Language/Amer Sign Lang

NATURAL SCIENCES:
General Biology/lab, complete sequence
Anatomy & Physiology/lab, sequence
Microbiology/lab
General Chemistry/lab complete sequence
College Algebra

SOCIAL SCIENCES: (2 areas, 8 sem units min)

Speech
Computer

HEALTH AND WELLNESS: (min 2 sem units)
Health Education (personal health or nutrition)
2 PE Activity Courses

ELECTIVES: To meet minimum total requirements of 66 semester units
(Cell biology, genetics, histology recommended)

PLEASE NOTE THAT C MINUS (C-) GRADES ARE NOT TRANSFERABLE FOR CREDIT

Any student who has attended a Seventh-day Adventist college/university, will be required to have religion course(s).

To apply online log onto: http://www.llu.edu/apply/

03/04/15 5
MAJOR: B.S. Degree - EMERGENCY MEDICAL CARE
The B.S. in Emergency Medical Care is a post-professional degree program designed for those with prior experience in Emergency Medical Services, Respiratory Therapy or Nursing. The degree is designed to expand the clinical knowledge of pre-hospital care providers and offer them an educational foundation from which to pursue leadership career roles in emergency services systems.

The 2-year upper division program in Emergency Medical Care allows the health professional to progress within his/her chosen profession to positions in clinical specialist, education and management. Students who wish to continue their education may also apply this degree, with additional coursework, to meet pre-physician assistant, pre-medical, or graduate school entry requirements.

This is a unique degree for pre-hospital and emergency medical care providers because of the program’s emphasis on the physiological and clinical aspects of care of the patient in the emergency medical system.

To be eligible for the junior year of this program, the student must (a) be an EMT, EMT-paramedic, R.N., or respiratory therapist; (b) complete the subject requirements listed as prerequisites; (c) arrange for an interview.

LOMA LINDA UNIVERSITY REQUIREMENTS:

HUMANITIES: (14 semester units min.)
Select from at least 3 subject areas:
Art/Music; Performing Arts (limited to 3 sem units)
Literature, Philosophy
History; Foreign Language/Amer Sign Lang

NATURAL SCIENCES: (2 areas, 8 sem units min)
Human Anatomy & Physiology/lab, (complete sequence)
Microbiology/lab
Intro Chemistry/lab, (1 sem)
Intro Physics, one sem.
College Algebra

SOCIAL SCIENCE: (2 areas, 8 sem units min)
Cultural Diversity
General Psychology or Sociology
Select additional from:
Psychology, Sociology
Anthropology, Economics, Political Science

COMMUNICATION: (min 6 sem units)
Freshman English, comp seq (CLEP Not Accepted)
If needed, select from:
Speech or Computer

HEALTH AND WELLNESS: (min 2 sem units)
Health Education (personal health or nutrition)
2 PE Activity Courses

ELECTIVES: To meet minimum total requirements of 64 semester units

Any student who has attended a Seventh-day Adventist college/university, will be required to have religion course(s).

PLEASE NOTE THAT C MINUS (C-) GRADES ARE NOT TRANSFERABLE FOR CREDIT

For Pre PA & Pre MED - Make appointment to meet with advisor at (909) 558-7076.

To apply online log onto: http://www.llu.edu/apply/
MAJOR: HEALTH CARE ADMINISTRATION, B.S. (ONLINE)
Health Care Administration is a broad-based discipline. The BSHA program prepares individuals to support healthcare professionals such as clinicians, researchers, and executives in assisted living and skilled nursing facilities; rehabilitation centers; private, public, and proprietary clinics; and medical centers.

The online Bachelor of Science in Healthcare Administration (BSHA) program educates students to competently function as Healthcare Administrators in the various healthcare environments. Healthcare administrators are the backbone of the medical professions. They ensure that health professionals have the tools, supplies, and working environment necessary to properly care for their patients, community members, and other populations.

The BSHA program was created to meet the needs of the adult learner or working professional that has already taken previous coursework to complete a Bachelor’s degree or has earned an Associate’s degree at an accredited college or university. The BSHA program was designed as an online program to meet the needs of our students with full-time employment and hectic schedules. Students have the opportunity to visit Loma Linda University (LLU) campus twice during the program, for orientation and upon graduation. The BSHA program commences annually summer quarter. Applications must be submitted by April 1st of the year of desired acceptance.

LOMA LINDA UNIVERSITY REQUIREMENTS:

HUMANITIES: (14 semester units min.)
Select from at least 3 subject areas:
Art/Music; Performing Arts (limited to 3 sem units)
Literature; Philosophy
History; Foreign Language/Amer Sign Lang

NATURAL SCIENCES: (2 areas, 8 sem units min)
Anatomy & Physiology, 1sem
Medical terminology
2 years HS Algebra/C grade or better or Inter Alg
Select additional from:
Chemistry, Mathematics, Physics, Astronomy, Geology

SOCIAL SCIENCES: (2 areas, 8 sem units min)
Select units from:
Psychology, Sociology, Anthropology
Political Science, Economics

COMMUNICATION:
Freshman English, complete seq (CLEP Not Accepted)
Speech
Computers (College or high school)

HEALTH AND WELLNESS: (min 2 sem units)
Health Education (personal health or nutrition)
2 PE Activity Courses

ELECTIVES: To meet the minimum at completion of the program students must have a total of 128 qtr units, inclusive of Core BSHA courses and elective units.

PLEASE NOTE THAT C MINUS (C-) GRADES ARE NOT TRANSFERABLE FOR CREDIT

Any student who has attended a Seventh-day Adventist college/university, will be required to have religion course(s).

To apply online log onto: http://www.llu.edu/apply/
MAJOR: BS Degree - HEALTH INFORMATION ADMINISTRATION
Health Information Management includes the development of information systems to provide optimal user access to medical records and other vital patient data. The health information specialist also manages or consults in maintenance of quality and legal standards for data used in administrative planning, research, patient care evaluation, and financial reimbursement. Opportunity exists for those with organizational talent, creative and analytic ability, and management skills. Graduates may find employment in hospitals, research centers, health data organizations, insurance companies, industries, or ambulatory care facilities.

LOMA LINDA UNIVERSITY REQUIREMENTS:

HUMANITIES: (14 semester units)
Select from at least 3 subject areas:
- Art/Music; Performing Arts (limited to 3 sem units)
- Literature; Philosophy
- History; Foreign Language/Amer Sign Lang

NATURAL SCIENCES: (2 areas, 8 sem. units min.)
- Anatomy & Physiology/lab, complete sequence
- 2 yrs HS Algebra/Grade C or better or Inter Algebra
- Medical Terminology
Select one additional from the following areas:
- Physics, Math, Chemistry, Geology, Astronomy

SOCIAL SCIENCES: (2 areas, 8 sem units min)
- Cultural Diversity (required)
- General Psychology
Select one additional from the following areas:
- Anthropology, Sociology
- Economics, Political Science, Geography

COMMUNICATION:
- Freshman English, comp seq (CLEP Not Accepted)
- Intro Computers with Word Processing
- Business Communications

HEALTH AND WELLNESS: (min 2 sem units)
- Personal Health or Nutrition
- 2 PE Activity Courses

OTHER REQUIREMENT:
- Intro to Accounting 1 semester

ELECTIVES: To meet minimum total requirements of 64 semester units

PLease note that C MINUS (C-) GRADES ARE NOT TRANSFERABLE FOR CREDIT

Any student who has attended a Seventh-day Adventist college/university, will be required to have religion course(s).

CODING SPECIALIST CERTIFICATE - HS Diploma/GED req. Applicant must complete: Anatomy & Physiology, Medical Terminology, Essentials of Human Disease, and Introduction to Computer Applications.

CERTIFICATE PROGRAM - Applicant must have baccalaureate degree and complete the following requirements: Accounting, Introduction to Computer Applications (must include word processing), Intermediate Algebra, Anatomy & Physiology (sequence), General Psychology, Medical Terminology, Statistics, Business Communications and Personnel Management.

HEALTH INFORMATICS MS – Applicant must have a bachelor’s degree from an accredited U.S. college or university or the foreign equivalent of a bachelor’s degree. Minimum GPA of 3.0. The Graduate Record Exam (GRE) may be requested and considered for GPA’s less than 3.0.

To apply online log onto: http://www.llu.edu/apply/
MAJOR: HEALTH PROFESSIONS EDUCATION (PB certificate, M.S.)

The 27-quarter unit Health Professions Education post baccalaureate certificate and the 48-quarter unit Master of Science degree are designed for faculty who want to enhance the effectiveness and efficiency of student learning in the classroom and clinic. Upon completion, graduates will be able to plan for effective learning experiences; improve assessment and evaluation of learning and instruction; and evaluate clinical performance with confidence, improve classroom performance, enhance academic administration skills, and develop expertise in health professions education.

Courses to complete the Master of Science degree include the core 18 units and a minimum of 6 units in Domain I and 6 units in Domain II, to a total of 48 units.

Units to complete the post baccalaureate certificate include the core 18 units and a minimum of 9 units selected in consultation with the program director from Domains I and II.

Additional courses may be added to each domain in consultation with the program director.

Requirements for admissions include a minimum of a baccalaureate degree from an accredited institution, licensure or eligibility for licensure in a recognized health care profession (or approved by program director) and a GRE score >750.
MAJOR: MEDICAL RADIOGRAPHY, A.S.

Loma Linda University offers a number of programs that prepare personnel to assist the specialized physician in obtaining anatomical and physiological images of the body or in treating diseases by the use of various types of radiation. The graduate can find employment in hospitals, medical & physicians’ office & clinics, public health agencies, industry, and armed forces. This program is recommended for the student wishing to become a radiologic technologist in a diagnostic radiography department, assisting in fluoroscopic examinations, diagnostic tests, and specialized operating room procedures.

Programs exist in the following areas: medical radiography (AS degree), radiation technology (BS degree) and certificates in medical sonography, nuclear medicine technology, radiation therapy technology, and special imaging technology.

LOMA LINDA UNIVERSITY REQUIREMENTS: ORANGE COAST COURSE EQUIVALENCIES: UNITS

**NATURAL SCIENCE:**
- Anatomy & Physiology/lab, sequence
- Intro Physics or Intro Chemistry (college or HS)
- Medical Terminology
- 2 yrs HS Algebra/C grade or better or Inter Alg

**NATURAL SCIENCE:**
- BIOL A220+A225 (5+5)

- Computers (college or HS)

**COMMUNICATION:**
- ENGL A101+A102 (4+4)
- CMST A110 (3)
- CIS A100 or HS computer (3/0)

**ELECTIVES:** To meet minimum total requirements of 28 semester units

**WORK EXPERIENCE:** 12 hours minimum work/observation experience (volunteer/employee) in a radiology department.

**PLEASE NOTE THAT C MINUS (C-) GRADES ARE NOT TRANSFERABLE FOR CREDIT**

Any student who has attended a Seventh-day Adventist college/university, will be required to have religion course(s).

To apply online log onto: http://www.llu.edu/apply/
MAJOR: NUCLEAR MEDICINE, B.S.
The nuclear medicine technologist assists the physician in the use of radioactive tracers within the body to examine organ function and structure. Tasks include calibration of radiation detection equipment, measurement of radioactive tracers, and mathematical calculations to determine test results.

During the Bachelor of Science program, students take formal coursework and complete clinical hours up to a 40-hour week. This program is full-time for 117 weeks (undergraduate students), or 103 weeks, and the program schedule extends through academic vacation periods.

**MAJOR: BS Degree - NUTRITION AND DIETETICS OR**
*MS Degree - NUTRITION AND DIETETICS*

The dietitian translates the science of nutrition into the skill of furnishing optimal nourishment to people. Increased recognition of the value of nutrition in health care offers the dietitian a steadily widening horizon of professional opportunities. Opportunities may also be found in health care research programs, food industries, state agencies, and nutrition care management.

To apply online log onto: http://www.llu.edu/apply/

Any student who has attended a Seventh-day Adventist college/university, will be required to have religion course(s).
MAJOR: Entry-Level MOT – Occupational Therapy

Occupational Therapists work with clients across the lifespan from newborn infants to the elderly. Intervention strategies include therapeutic activities, adaptive equipment and assistive technology to address needs in motor, sensory, cognitive, visual, perceptual, emotional and social. Occupational therapists work in a variety of settings, such as hospitals, schools, mental health centers, home health agencies, nursing homes, ergonomic and corporate settings, private practices, prevention program and community setting such as domestic violence and homeless shelters.

To be eligible for admission, the applicant must have completed the following prerequisites.

DEGREE REQUIREMENT: BACCALAURATE DEGREE AT AN ACCREDITED COLLEGE OR UNIVERSITY

NATURAL SCIENCES:
- Human Anatomy & Physiology w/lab (complete seq)*: BIOL A220+A225 (5+5)
- Statistics*: MATH 160 (3)
- Medical Terminology: ALH A111 (3)

SOCIAL SCIENCES:
- Human Growth & Development: PSYC A130 (3)

Any student who has attended a Seventh-day Adventist college/university, will be required to have religion course(s).

WORK EXPERIENCE: A minimum of 40 hours of work/observation experience (volunteer/employee) in an Occupational Therapy Department.

TEST REQUIREMENT: None required

PLEASE NOTE THAT C MINUS (C-) GRADES ARE NOT TRANSFERABLE FOR CREDIT

*Beginning in August 2014, these courses must have been taken within 5 years prior to entry to our program.

To apply online log onto: www.llu.edu/apply/
MAJOR: Orthotics and Prosthetics – MS

The Entry-level MSOP program is for individuals with no previous degree in Orthotics & Prosthetics. No Bachelors degree is required and the program is 10 quarters in length. Applicants must complete all of the following prerequisites courses.

LOMA LINDA UNIVERSITY REQUIREMENTS: ORANGE COAST COURSE EQUIVALENCIES: UNITS

HUMANITIES: (14 semester units min.)
Select from at least 3 subject areas:
History (required)
Select addition units from:
Art/Music; Performing Arts (limited to 3 sem units)
Literature; Philosophy; Foreign Language/Amer Sign Lang
Foreign Language/Amer Sign Language
The department recommends additional electives in this area.

NATURAL SCIENCES: (courses required, units may vary)
*Anatomy & Physiology/lab, (complete seq)
*Intro or General Chemistry/lab
*Intro or General Physics/lab
*Statistics

SOCIAL SCIENCES: (2 areas, 8 sem units min)
Gen Psychology (required)
Growth and Development or Abnormal Psych.
Select additional credits from:
Psychology, Sociology, Anthropology, Political Science
The department recommends additional electives in this area.

COMMUNICATION: (6 sem. units min.)
Freshman English, complete seq (CLEP Not Accepted)
Speech or Computers

HEALTH AND WELLNESS: (required)
2 Physical Education Activity Courses
The department recommends additional electives in this area.

ELECTIVES: To meet a minimum total requirements of 64 semester units. Maximum of 70 semester units transfer from junior/community colleges.

Any student who has attended a Seventh-day Adventist college/university, will be required to have religion course(s).

WORK EXPERIENCE: Eighty work/observation hours under the supervision of a CPO practitioner are required.

TEST REQUIREMENT: None required

PLEASE NOTE THAT C MINUS (C-) GRADES ARE NOT TRANSFERABLE FOR CREDIT

To apply: Call Hans Schaepper at (909) 720-1201 to get directions.

*Individuals who have received a bachelor’s degree from a regionally accredited college or university need to complete only the prerequisites denoted with an asterisk (*).
MAJOR: AS Degree - PHYSICAL THERAPIST ASSISTANT
The physical therapist assistant is a skilled technical health care provider who, under the supervision of a physical therapist, assists in the patients’ treatment program. The extent to which the physical therapist assistant is involved in treatment depends upon the policies of the health facility, the supervising therapist, and the patient.

Physical therapist assistants are in demand; graduates have a wide choice of opportunities with hospitals, rehabilitation centers, outpatient clinics, national and state agencies, and schools of physical therapy.

LOMA LINDA UNIVERSITY REQUIREMENTS:  ORANGE COAST COURSE EQUIVALENCIES:  UNITS

HUMANITIES:
Select one from:
Art/Music (Performing/Applied Art/Music not acceptable)
Philosophy, American History
Literature, Foreign Language/Amer Sign Lang

Select one from:
ART A100; MUS A100 (Perform/Appl’d Art/Mus unacceptable)
PHIL A100, A120, A150; HIST A100, A170, A175
ENGL A141, A143; Any Foreign Lang/Amer Sign Lang

NATURAL SCIENCES:
*Human Anatomy & Physiology/lab, sequence
*Intro Physics/lab, one sem
*2 yrs HS Algebra/C grade or better or Inter Alg

BIOL A220+A225 (5+5)
PHYS A110 + A111 (3+1)
MATH A030 (required/no credit) (0/0)

SOCIAL SCIENCES:
*General Psychology
*Developmental Psychology or Abnormal Psychology

PSYC A100 (3)
HMDV A180 or PSYC A130 (3/3)

COMMUNICATION:
Freshman English comp, complete seq (CLEP Not Accepted)
*Speech

ENGL A101+A102 (4+4)
CMST A110 (3)

HEALTH AND WELLNESS:
Health Education (personal health or nutrition) OR
2 PE Activity Courses

HLED A100 or FN A170 OR (3/3)
2 PE Activity Courses (2)

ELECTIVES: To meet minimum total requirements of 32 semester units

WORK EXPERIENCE: A minimum of 80 hours work/observation experience (volunteer/employee) in a Physical Therapy Department, 20 hours of which must be in an inpatient setting and 20 hours in an outpatient setting.

*Individuals who already have a bachelor’s degree from a regionally accredited college or university need to complete only the prerequisites denoted with an asterisk (*).

PLEASE NOTE THAT C MINUS (C-) GRADES ARE NOT TRANSFERABLE FOR CREDIT

To apply online log onto: http://www.llu.edu/apply/

Any student who has attended a Seventh-day Adventist college/university, will be required to have religion course(s).
Transfer Patterns for Orange Coast College Students

MAJOR: Entry-level DPT, no previous bachelor’s degree

The Entry-level DPT program is for individuals with no previous degree in Physical Therapy. No Bachelor's degree is required. The program is 3 years in length. Applicants must complete all of the following prerequisites courses.

LOMA LINDA UNIVERSITY REQUIREMENTS: ORANGE COAST COURSE EQUIVALENCIES: UNITS

HUMANITIES: (minimum 16 sem units)
Must include at least one upper division course
Select from at least 3 subject areas:
Art/Music; Performing Arts (limited to 3 sem units)
Philosophy; History
Literature; Foreign Language/Amer Sign Lang
The department recommends additional electives in this area.

NATURAL SCIENCES:
Must include at least one upper division course
Anatomy & Physiology/lab (seq) or Gen Biol/lab (seq)
Select one of the following options:
Option 1: Gen Chem/lab (seq) + Intro Physics (4 sem units)
Option 2: Gen Phys/lab (seq) + 2 consecutive terms Chem/lab Statistics
Medical Terminology
One additional Natural Science

SOCIAL SCIENCES: (minimum 8 sem units)
Must include at least one upper division course
General Psychology
Human Growth & Development
Select additional credits from:
Psychology, Sociology, Anthropology, Political Science Economics, Geography
The department recommends additional electives in this area.

COMMUNICATION: (minimum 6 sem units)
Freshman English, compl seq (CLEP Not Accepted)
Speech

HEALTH AND WELLNESS:
Health Education (personal health or nutrition)
2 PE Activity Courses
The department recommends additional electives in this area.

Any student who has attended a Seventh-day Adventist college/university, will be required to have religion course(s).

WORK EXPERIENCE: A minimum of eighty work/observation hours under the supervision of a physical therapist are required; twenty of the eighty hours must be in an inpatient setting and twenty of the eighty hours must be in an outpatient setting.

TEST REQUIREMENT: None required

PLEASE NOTE THAT C MINUS (C-) GRADES ARE NOT TRANSFERABLE FOR CREDIT

** Please Note: For students entering the program in June 2016, the Natural Science prerequisite requirements will be as follows: Anatomy & Physiology, complete seq with lab; Gen Chemistry, complete seq with lab; Gen Physics, complete seq with lab; two additional Biological science courses (one must be upper division), Statistics and Medical Terminology.

*** Please Note: All students entering the program in June 2018 must have an earned Bachelor degree in any area from a “Regionally Accredited: institution. Please see the Transfer Pattern for Entry-level DPT with previous bachelor degree.

To apply online log onto: www.ptcas.org

03/04/15
MAJOR: Entry-level DPT with previous bachelor’s degree - PHYSICAL THERAPY

This program is for individuals who have an earned Bachelor's degree from an accredited college or university. These students will not receive a Bachelor's degree in Life Science from Loma Linda University. This group does not need to meet the General Education requirements outlined in the five Domains for the BS/DPT Track students, but they do need to have the following prerequisites to be eligible for entrance into the Doctorate program:

NATURAL SCIENCES:
Human Anatomy & Physiology with lab, complete sequence (preferred) or General Biology with lab, complete sequence
Select one of the following options:
Option 1: General Chemistry /lab, complete sequence + Introductory Physics/lab, minimum of 6 quarter units
Option 2: General Physics/lab, complete seq + a minimum of 2 academic terms of any sequenced Chemistry with lab
One additional Natural Science
Statistics
Medical Terminology

SOCIAL SCIENCES:
General Psychology (substitute courses may be approved by the Chairman of the Department)
Human Growth & Development

COMMUNICATION:
Speech

Any student who has attended a Seventh-day Adventist college/university, will be required to have religion course(s).

WORK EXPERIENCE: A minimum of eighty hours of work/observation experience (volunteer/employee) in a Physical Therapy Department, twenty hours of which must be in an inpatient setting and twenty hours must be in an outpatient setting.

TEST REQUIREMENT: None required

PLEASE NOTE THAT C MINUS (C-) GRADES ARE NOT TRANSFERABLE FOR CREDIT

** Please Note: For students entering the program in June 2016, the Natural Science prerequisite requirements will be as follows: Anatomy & Physiology, complete sequence with lab; Gen Chemistry, complete sequence with lab; Gen Physics, complete sequence with lab; two additional Biological science courses, Statistics and Medical Terminology.

To apply online log onto: www.ptcas.org
ADDITIONAL POST PROFESSIONAL PHYSICAL THERAPY PROGRAMS

MASTER OF SCIENCE IN REHABILITATION (formerly PP-MPT): BSPT graduates may proceed directly into the MS in Rehabilitation program.

POST PROFESSIONAL MASTER OF ORTHOTICS AND PROSTHETICS: To be eligible for admission, the applicant must have earned a baccalaureate degree in orthotics and prosthetics, or a baccalaureate degree in any major and orthotics or prosthetics certificate degree from an accredited college or university.

POST PROFESSIONAL DOCTOR OF PHYSICAL THERAPY: MPT graduates may proceed directly into the 45 unit track. Others with a BS in physical therapy may proceed directly to the 65 unit track. Please call our office for more information.

DOCTOR OF SCIENCE IN PHYSICAL THERAPY: MPT graduates may proceed directly into the Doctor of Science in Physical Therapy program. Others with a BS in physical therapy will need a master’s degree before entering the doctoral program. Please call our office for more information.

PLEASE NOTE THAT C MINUS (C-) GRADES ARE NOT TRANSFERABLE FOR CREDIT

To apply online log onto: http://www.llu.edu/apply/
MAJOR: M.P.A. Degree - PHYSICIAN ASSISTANT
The Physician Assistant profession had its inception in the mid-1960's. Since then Physician Assistants have become valuable, and essential health care professionals. They are highly trained members of a health team, who are academically and clinically prepared to provide health care services. They work under the supervision of a Physician, and they provide diagnostic, therapeutic, preventive, and health maintenance services.

Physician Assistants work mainly as primary care providers. They are, however, not limited to this area of health care, for they function in many of the medical specialties. Physician Assistants are trained to deal with many medical emergencies. They also function as first or second assistants in major surgery, and provide pre- and postoperative care. Some Physician Assistants may also carry out managerial duties. The number of employment opportunities for Physician Assistants continues to grow.

A baccalaureate degree from an accredited institution, PLUS at least 2,000 hours of hands-on patient care experience.

MINIMUM OVERALL GPA: 3.0 AND MINIMUM SCIENCE GPA: 3.0

* To apply for the Physician Assistant, M.P.A. degree program, go to caspaonline.org.

Any student who has attended a Seventh-day Adventist college/university, will be required to have religion course(s).
MAJOR: RADIATION SCIENCES, B.S. (FOR IMAGING PROFESSIONALS) – ONLINE PROGRAM
The Bachelor of Science in Radiation Sciences (BSRS) degree is a post-professional degree that provides the Imaging Professionals with the foundational skills necessary to advance within the profession. Advancement into areas such as: management, supervisor, lead technologist, PACS manager, entry-level radiography instructor, and radiologist assistant can be obtained more readily when completing this advanced degree.

Students transferring into LLU must have certification from the American Registry of Radiologic Technologists (ARRT) or its equivalent. A maximum of 105 quarter/70 semester units from an accredited junior college will be accepted, including units for clinical training. If the maximum transfer units have been reached, any other General Education units required will need to be taken from a senior college or university. At completion of the program students must have a total of 128 semester units, inclusive of Core BSRS courses, area of emphasis and elective units.

**ELECTIVES:** To meet the minimum at completion of the program students must have a total of 128 semester units, inclusive of Core BSRS courses, area of emphasis and elective units.

Any student who has attended a Seventh-day Adventist college/university, will be required to have religion course(s).

**PLEASE NOTE THAT C MINUS (C-) GRADES ARE NOT TRANSFERABLE FOR CREDIT**

**RADIATION SCIENCES, M.S. ONLINE PROGRAM** Applicants must have a 3.0 undergrad GPA, Certified by National Certifying body in Diagnostic Imaging (i.e. ARRT, ARDMS, NMTCB), copy of current professional license, official transcripts, resume, 3 letters of reference, telephone interview, and a 2-3 page essay describing: personal and professional skills and accomplishments, interests, career goals, and how the MSRS will help achieve these goals. For information call (909) 558-4931.

To apply online log onto: http://www.llu.edu/apply/
MAJOR: CERTIFICATE PROGRAMS IN RADIATION TECHNOLOGY

Certificate programs are 3, 9 or 12 months (Medical Sonography two years) in length and cover the study of the principles and procedures and allow participation, under close supervision, in the clinical practice of the respective area.

MEDICAL DOSIMETRY: Dosimetrists plan optimal isodose distributions and treatment dose calculations for a variety of external beam and brachytherapy treatments. The program is 5 quarters long. Students will either need to have: 1) ARRT registration in Radiation Therapy Technology with a minimum of two years post graduation clinical experience, and a baccalaureate degree. Prerequisites: College Algebra and Trigonometry (taken within the last three years) or 2) A baccalaureate degree in physics or math from an accredited university. Prerequisites: Anatomy and Physiology, Medical Terminology.

MEDICAL DOSIMETRY: Dosimetrists plan optimal isodose distributions and treatment dose calculations for a variety of external beam and brachytherapy treatments. The program is 5 quarters long. Students will either need to have: 1) ARRT registration in Radiation Therapy Technology with a minimum of two years post graduation clinical experience, and a baccalaureate degree. Prerequisites: College Algebra and Trigonometry (taken within the last three years) or 2) A baccalaureate degree in physics or math from an accredited university. Prerequisites: Anatomy and Physiology, Medical Terminology.

DIAGNOSTIC MEDICAL SONOGRAPHY/ECHOCARDIOGRAPHY: The Diagnostic Medical Sonographer, or Echocardiographer assists the physician in the use of high-frequency sound waves to obtain images of internal structures and body organs and in the examination of patients for physical anomalies or disease processes. Program begins in September and runs for either 12 months or 24 months. For each track, you will need to have completed any one of the following: 1) any two-year Allied Health degree, 2) Any A.S or A.A degree (science emphasis preferred), or 3) Any Bachelor degree. Prerequisites: Anatomy and Physiology with lab (sequence), Medical Terminology, College Algebra (taken within the last five years), Introductory Physics and Patient Care Methods. Prerequisites must be taken within the last five years with a grade ‘C’ or higher. Applicants must also complete 8 hours of observation (volunteer/employee) in an Ultrasound Department, preferably at LLUMC, and attend an information session either at LLU Open House or at one of the other scheduled times.

RADIATION THERAPY TECHNOLOGY: The radiation therapist works closely with the physician in determining the proper methods of using radiation to treat various disease states. Responsibilities include accurate treatment records and following prescribed treatment plans to ensure proper patient care. Program begins in September and runs 15 months. The applicant must fulfill one of the following requirements: 1) Be an ARRT registered radiologic technologist and/or graduate of an accredited radiologic technology program and have college credits in: College Algebra (taken within 3 years), Human Anatomy & Physiology/lab (complete sequence), Radiation Protection, Patient Care Methods, Radiation Physics, current CPR certification and General Psychology or 2) Be a registered nurse or graduate of an accredited Allied Health program (2 years minimum training) and have college credits in: College Algebra (taken within the last three years), Human Anatomy & Physiology with lab (complete sequence), Medical Terminology, Patient Care Methods, Radiation Physics, Radiation Protection, Principles of Radiology, General Psychology, CPR Certification. Both tracks must complete a minimum of 40 hours of career observation in a Radiation Oncology Department.

COMPUTED TOMOGRAPHY & MAGNETIC RESONANCE IMAGING: The computed tomography and magnetic resonance imaging technologist works in a highly specialized field operating sophisticated computerized imaging equipment. This technology provides detailed cross-sectional images of the human body, assisting physicians with quality patient diagnosis and treatment. To be eligible for admission to the certificate program in CT/MRI, applicants must meet the following requirements: current ARRT & CRT license, current CPR card, a minimum GPA of 2.5, and complete 12 hours of observation in a CT department and 12 hours of observation in a MRI department. Students can take CT or MRI independently or as a combined program. The 6-month CT track begins in Fall quarter. The 6-month MRI track begins in Spring quarter. The combined 12-month program begins in Fall quarter.

IMAGING INFORMATICS: The purpose of the program is to enable the learners to function as PACS Administrators (Picture Archiving Computer Systems). Applicants must be certified by the ARRT in Diagnostic Radiography. In addition applicants must have at least 2 years of experience with CR (computed radiography) or DR (direct radiography) or take a prerequisite CR/DR course (available online at LLU).

RADIOGRAPHY ADVANCED PLACEMENT: Advanced Placement programs in Radiologic Technology have been developed to accommodate the needs of former Radiologic Technology students in their quest for eligibility to take the American Registry of Radiologic Technologist’s (ARRT) Radiography examination. The ARRT distinguishes four types of students eligible for Advanced Placement Programs. One type of student is one that is no longer eligible under ARRT’s five-year rule. A second type of student is one that is no longer eligible under ARRT’s three-attempt, three-year rule. A third type of student is one that received their professional education in a country without an accreditation mechanism that was recognized by the ARRT at the time of program completion. The final type of student is one that may have already completed one or more of another program’s didactic and/or clinical competency requirements.

PLEASE NOTE THAT C MINUS (C-) GRADES ARE NOT TRANSFERABLE FOR CREDIT

To apply online log onto: http://www.llu.edu/apply/
MAJOR: RADIOLOGIST ASSISTANT M.S.R.S (ENTER WITH A B.A./B.S. DEGREE)

The radiologist assistant (RA) is an advanced clinical role for an ARRT-certified medical radiographer. The RA enhances patient care by extending the capacity of the radiologist in the diagnostic imaging environment. With radiologist supervision, the radiologist assistant performs patient assessment, patient management, fluoroscopy and other radiology procedures. The radiologist assistant also makes initial observations of diagnostic images, but does not provide an official interpretation.

The student will receive didactic and clinical mentoring in neonatal, pediatric, adult and geriatric populations. Courses will be a mix of discussion, projects, case studies and web-based learning. Students are responsible for finding their own clinical site and radiologist mentor. This is an online/blended program. Students need to be on campus for one day in the first Autumn Quarter, the first Winter and Spring Quarters and the final Spring Quarter. The rest of the time, coursework is taken online within Loma Linda University’s web-enhanced learning environment.

Students can enter the online/blended Radiologist Assistant program with a Bachelor’s degree from a regionally accredited institution. The Bachelor’s degree can either be a Bachelor of Administration or a Bachelor of Science. The degree must be posted, and the transcript received, in order for the student to begin coursework in the fall.

PREREQUISITES:

- BA/BS degree from regionally accredited institution
- Graduate of an accredited medical radiography (x-ray) program
- ARRT (R) certified, and in good standing
- Current CPR certification (must complete ACLS certification prior to applying for boards)
- Two-years, full time experience (post-medical radiography licensure)
- Course in Statistics (within the past 5 years)
- Course in Research Methods (within the past 5 years)

The application window is open from January 1 to June 1 of each year, and the entire application process is completed online. The program starts once a year, in late September (fall quarter). The program is seven quarters long, which is just shy of two years.

To apply online log onto: http://www.llu.edu/apply/
MAJOR: Ph.D. Degree-REHABILITATION SCIENCE

The School of Allied Health Professions offers the Doctor of Philosophy degree in rehabilitation science. The degree program by design is inclusive of the many rehabilitation professions; and offers opportunities for qualified clinical professionals in allied health to prepare for careers in independent research, teaching, and administration. It is the goal of this program to prepare graduates who will:

- provide vision and direction for the integration of the rehabilitation professions;
- commit themselves to whole-person care;
- advance the theory and practice of rehabilitation science through research;
- acquire and integrate knowledge related to the social and basic medical sciences; and
- assess, develop, and implement interdisciplinary community-based services.

Admission

Applicants must meet the following minimum requirement:

- Bachelor’s or Master’s degree in physical therapy, occupational therapy, nutrition or communication sciences and disorders, with a minimum G.P.A. of 3.0 in academic and professional course work.

Prospective students are required to submit the following:

1. A formal letter of support from a primary research faculty member whose research interests and availability most closely match those of the applicant. The program director will coordinate meetings between applicants and prospective research faculty.
2. Curriculum vitae, including work history, formal education, continuing education, licensure or certification, professional organizations, honors, awards, publications, presentations, and grants.
3. At least one example of written work (e.g., term paper course assignment, publications, master’s degree research project or thesis).

Requirements

A minimum of 114 units beyond the bachelor’s degree is required for students holding a master’s or doctoral degree in a professional area; up to 45 graduate level quarter units taken in completion of the professional degree may be applicable to the Doctor of Philosophy degree. Application of these credits to the Doctor of Philosophy degree must be reviewed by the School of Allied health Professions Doctor of Philosophy in Rehabilitation Science Committee prior to submission to the Faculty of Graduate Studies for approval. The student’s program course work for the degree must be approved by the Doctor of Philosophy in Rehabilitation Science Committee.

PLEASE NOTE THAT GRADES MUST BE “B” OR BETTER FOR TRANSFERABLE CREDIT.

To apply online log onto: http://www.llu.edu/apply/
MAJOR: RESPIRATORY CARE, BS

The 2-year, upper division program leading to the Bachelor of Science degree is a sequence of additional professional course work intended to prepare respiratory therapists for positions in education, management, or science. Course work in the science emphasis may be applied toward meeting the entrance requirements for dentistry and medicine. Those electing to study on a part-time basis must complete the junior and senior years within a 4-year period. Students entering directly from a 2-year program should be employed a minimum of 16 hours per week as therapists in order to gain the most from the program.
