

SCHOOL OF ALLIED HEALTH PROFESSIONS

Official School Press Release **Program Update**

Re: PPMPT Program Deadline

04/03/2008

Due to the high demand for this program, all "in progress" and new applications must be filed/submitted by April 18, 2008 to be considered for Fall 2008.

If you have applied and have outstanding application elements, (i.e. Test scores, recommendations, official transcripts, transcript evals, etc) they must be received and processed by Loma Linda University no later than May 30, 2008 to be considered for Fall 2008.

If you apply for Fall 2008 and are not accepted; please go online and re-apply after October 1, 2008 for Fall 2009. We will archive your application elements so they will not need to be resubmitted.

If you have further questions, contact the PT Program directly.
