

## LOMA LINDA UNIVERSITY

**To:** All Foreign Student Applicants  
**From:** School of Allied Health Professions, Admission & Records  
**Date:** Effective Immediately  
**Subject:** FOREIGN TRANSCRIPTS EVALUATION POLICY

It is currently the policy of Loma Linda University to require that all applicants with foreign transcripts have an approved foreign transcript evaluation center evaluate their foreign transcripts. The list of approved evaluation centers is enclosed. Evaluations from any company not on the list are NOT accepted.

You must choose a service from this list and have the service evaluate all of your foreign transcripts COURSE-BY-COURSE, at your expense, and have the service send the Office of Admissions & Records an official report. Each course granted credit must be accompanied by a letter grade. This must be done before your application can be processed. All official foreign transcripts must be received by Loma Linda University before you will be accepted into any of the Allied Health programs. Please have this evaluation done immediately so we may finish processing your application.
