

LOMA LINDA UNIVERSITY

To: All Foreign Student Applicants
From: School of Allied Health Professions, Admission & Records
Subject: INTERNATIONAL TRANSCRIPT EVALUATION

It is the policy of Loma Linda University to require that all applicants with foreign transcripts have an approved foreign transcript evaluation service evaluate their foreign transcripts. Approved evaluation services are listed below. Evaluation from any company not on the list is NOT accepted.

You must choose a service from this list and have the service evaluate all of your foreign transcripts, including high school, **COURSE-BY-COURSE**, at your expense, and have the service send the Office of Admissions & Records an original report. Each course granted credit must be accompanied by a letter grade. This must be done before your application can be processed. All official foreign transcripts must be received by Loma Linda University before you can be accepted into any of the Allied Health programs. Please have this evaluation done immediately so we may finish processing your application.
