

LOMA LINDA UNIVERSITY & MEDICAL CENTER

Heritage Society

As a special way of saying thank you to people who include a gift to Loma Linda University, Medical Center, and/or Children's Hospital in their estate plans, Loma Linda has established the Heritage Society.

Donors who make these types of provisions do so

through a bequest in their will, a trust, a gift annuity, pooled income fund participation, a life insurance policy, or other planned gift.

Heritage Society members receive Loma Linda University and Medical Center publications, a

handsome certificate suitable for framing, and invitations to special events. Members also have the option of having their names prominently listed on the Heritage Society Donor Wall and being

included in the annual reports to donors.

But most importantly, members are an integral part of the Loma Linda University and Medical Center family and have the satisfaction of knowing they are making a significant difference in advancing Loma Linda's mission of service to people.

A way of saying *Thank You*
