HOMETOWN HEROES

The Hometown Hero award program recognizes the contributions of men and women who share our passion for children and help enrich the quality of life in our communities. The Children’s Hospital Foundation Gala is dedicated to those individuals whose commitment means a brighter future for the children they have touched.

You are cordially invited to celebrate with us 14 years of service to the children of Southern California!
Benefiting Pediatric Trauma Services

Traumatic injury can strike at any time. Last year, more than 4,700 children received trauma care at Loma Linda University Children's Hospital. As the region's only Level One trauma center, Loma Linda serves San Bernardino, Riverside, Inyo, and Mono counties, home to 1.2 million children. While the leading causes of injury are motor vehicle accidents and falls, children need trauma care for a variety of reasons, such as near drowning, child abuse, and snake bites.

In addition to saving lives through the quick action of the trauma team, Children’s Hospital works to help prevent injuries from occurring by reaching out to the community through programs such as Safe Kids, Youth Alternative Sentencing, and Tattoo Removal.

Please join us in supporting pediatric trauma services at Loma Linda University Children's Hospital, saving lives every day.

The Shirley N. Pettis Award

Honoring Arlene Lewis

The Shirley N. Pettis Award recognizes outstanding dedication and distinguished service to children. Through their volunteerism and community service, the award winners have demonstrated the desire and motivation to improve the lives of children throughout the Inland Empire. Loma Linda University Children's Hospital is proud to honor Arlene Lewis as the 2006 Shirley N. Pettis Award recipient.
