Perinatal Services Network is a community collaborative involving hospitals in San Bernardino and Riverside Counties.

Through the Birth and Beyond Course, Perinatal Services Network has provided education to over 1,200 health professionals in San Bernardino and Riverside Counties.

Class Participant Comments:

“Very informative class and a must for all Perinatal nurses and practitioners.”

“My whole attitude has changed for the better and I feel much more prepared to support breastfeeding”

“I will be more focused on the babies needs and better equipped to encourage breastfeeding and bonding immediately after birth.”

“I learned [a lot] to help with my practice - I know I will be more helpful in assisting breastfeeding mom’s. Thank you.”

“I came expecting just a refresher and picked up some new info and new ways of looking at things.”

Course Information

This 16-hour course provides the evidence and knowledge to confidently support, establish and protect both breastfeeding and early mother-infant attachment in the hospital setting.

Funded by First 5 San Bernardino and First 5 Riverside, and coordinated by the Perinatal Services Network, this project is intended to improve the health and well being of children in these counties.

Registration and Fees

Paid pre-registration is mandatory. Registration deadline is 2 weeks prior to the first day of class. Spaces cannot be guaranteed for late registrants or walk-ins.

Class Fees

A $25 refundable deposit for health professionals employed within one of the “Participating Network Hospitals” in San Bernardino or Riverside Counties (see list). A $160 non-refundable fee for all others.

Cancellation/Refund/No Show Policy

No Show or Cancellations less than 24 hours prior to class day will result in a $25 fee. Please call to cancel or reschedule if you are unable to attend class.

Minimum Enrollment: 10
Maximum Enrollment: 25

* If you need special accommodations, please let us know prior to class. Room temperatures tend to vary. Please bring a sweater or jacket.

Dates

This 16-hour course is offered in two 8-hour days. Day 1 and Day 2 must be taken together in the session dates offered below.
